Counsel for Plaintiffs and Defendants believe that these five motions present overlapping issues, should all be resolved together, and would all benefit from the Court's attention at the hearing on December 13. Plaintiffs and Defendants therefore respectfully submit that the Court should enter an order giving notice that these additional motions will be considered at the December 13th hearing. To that end, and for the Court's convenience, the Parties enclose a proposed order along with this letter.

Respectfully,

Gregory T. Parks
